Hi everyone,

Please see below the list of virtual machines available from ICS 167, last quarter.
If you need a virtual machine for your project, and you don't have one listed below, let
me know and I'll send out information for how to get one. Otherwise, if you plan to run
everything in your own computers, that's fine too (probably better), and you don't need to
tell me.

Crista

Hi Crista,

The following IP addresses for virtual machines are up and running:

128.195.11.131
128.195.11.132
128.195.11.134
128.195.11.135
128.195.11.136
128.195.11.138
128.195.11.139
128.195.11.140
128.195.11.141
128.195.11.142
128.195.11.143
128.195.11.145

The following are ones I have not been able to start back up:

128.195.11.127
128.195.11.133
128.195.11.144

Those are all the virtual machines that I see.
